

Rules to Live By - Cape Area Pilots Association

Years ago, the pilots at a well known pilot supply company started a lunch conversation about what should you always do in the corporate aircraft, or any aircraft for that matter. This discussion led to writing down the "5 Rules to Live By", which has had a few amendments since then. Come find out about these simple and basic premises and how they can make you a better pilot.

http://www.faa.gov/regulations_policies/handbooks_manuals/aviation/pilot_risk/

Directions: 500 yards North of Exit 6 from Route 6. The CAPA meeting will be in SOUTH BUILDING, room 105 Use parking lot 3. The South Building was recently renamed WILKINS HALL (not to be confused with WILKINS LIBRARY) next door). Complimentary pizza will be served.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
